Changing the Practice Landscape in Metastatic Colorectal Cancer: New Considerations in 2017

18:30 – 20:30 Plenary I: Metastatic Colorectal Cancer Biology

Speakers: Sanaa El Sukhun MD, Oncology JO – Joseph Kattan MD, Oncology LB
          Marwan Ghosn MD, Oncology LB – Ali Shamseddine MD, Oncology LB

Panelists: Ziad Salem MD, Oncology LB – Ali Shamseddine MD, Oncology LB
          Marwan Ghosn MD, Oncology LB – Joseph Kattan MD, Oncology LB

Chairman: Marwan Ghosn MD, Oncology LB

18:30 – 18:55 Understanding the Biology in mCRC - Sanaa El Sukhun MD, Oncology JO
19:15 – 19:45 How Tissue Biomarker Data will help tailoring treatment pathway?
          Marwan Ghosn MD, Oncology LB
20:15 – 20:30 Panel Discussion

20:30 – 22:00 Dinner
09:00 – 10:45 Plenary II: Metastatic Colorectal Cancer Treatment Strategies

Speakers:  
- Mohamad Abdallah MD, Oncology EG  
- Georges Chahine MD, Oncology LB – Fadi Farhat MD, Oncology LB  
- Marcel Massoud MD, Oncology LB – Mohsen Mokhtar MD, Oncology EG

Panelists:  
- Georges Chahine MD, Oncology LB – Fadi Farhat MD, Oncology LB  
- Yasser Abdel Kader MD, Oncology EG

Chairman:  
- Georges Chahine MD, Oncology LB

09:00 – 09:20 Updates on treatment algorithms in metastatic CRC in 2017  
Mohamad Abdallah MD, Oncology EG

09:20 – 09:45 Optimal Treatment Sequencing in mCRC management  
Georges Chahine MD, Oncology LB

09:45 – 10:05 Weighing Efficacy and Safety in Strategic Decision-Making  
Fadi Farhat MD, Oncology LB

10:05 – 10:35 Challenging Clinical Cases  
Marcel Massoud MD, Oncology LB  
Mohsen Mokhtar MD, Oncology EG

10:35 – 10:45 Panel Discussion

10:45 – 11:00 Coffee Break
Advanced Prostate Cancer: Insights and Strategies in Individualized Patients Care

11:00 – 13:00  Plenary I: Management of Advanced Prostate Cancer

Speakers:  
- Antonio Alcaraz MD, Urology Spain  
- Ali Shamseddine MD, Oncology LB  
- Salem Eid MD, Oncology EG  
- Imad Hamada MD, Oncology EG

Panelists:  
- Ali Shamseddine MD, Oncology LB  
- Mohsen Mokhtar MD, Oncology EG  
- Elie Nemr MD, Urology LB  
- Antonio Alcaraz MD, Urology Spain

Chairman:  
- Ali Shamseddine MD, Oncology LB

11:00 – 11:20  Advanced Prostate Cancer Biology: Aggressive Variants: Where are we standing today?  
  
  Salem Eid MD, Oncology EG

11:20 – 11:50  New Landscape in the Management of Advanced Prostate Cancer: Role of Chemotherapy  
  
  Ali Shamseddine MD, Oncology LB

11:50 – 12:10  Safety Management: Key Considerations  
  
  Imad Hamada MD, Oncology EG

12:10 – 12:40  Making Sense of It All – Translating the Evidence Into Clinical Practice  
  
  Antonio Alcaraz MD, Urology Spain

12:40 – 13:00  Panel Discussion

13:00 – 14:00  Lunch
14:00 – 17:15 Plenary II: Changing the Practice Landscape: The Multidisciplinary Management Approach: A Call for Implementation

14:00 – 15:15 The Roadmap to National Implementation

Panelist: Walid Alameh MD, Urology LB - Fadi Nasr MD, Oncology LB
Chairman: Joseph Makdessi MD, Oncology LB

14:00 – 14:30 Factors Improving the Multidisciplinary Care: Oncologists’ Perspectives

Joseph Makdessi MD, Oncology LB - Lebanese Society of Medical Oncology President

14:30 – 15:00 How to Make The MDT Successful?

Walid Alameh MD, Urology LB - Lebanese Society of Urology President

15:00 – 15:15 Panel Discussion

15:15 – 15:30 Coffee Break

Panelists: Fadi Nasr MD, Oncology LB - Raghid Khoury MD, Urology LB - Mohamad Bulbul MD, Urology LB - Antonio Alcaraz MD, Urology Spain

Chairman: Mohamad Bulbul MD, Urology LB

15:30 – 16:00 A State of the Art in Prostate Cancer Management: the MDT Approach

Antonio Alcaraz MD, Urology Spain

16:00 – 17:00 Experience from Lebanon

16:00 – 16:20 The MDT at AUBMC - Mohamad Bulbul MD, Urology LB

16:20 – 16:40 MDT Experience at Notre Dame Des Secours - Raghid Khoury MD, Urology LB

16:40 – 17:00 Mount Lebanon Hospital Prostate Cancer Unit - Fadi Nasr MD, Oncology LB

17:00 – 17:15 Panel Discussion
