Dear Colleagues,

On behalf of the Lebanese Fertility Society (LFS), I would like to invite you to attend the Lebanese International Fertility Summit 2016 (LIFE 2016), that will be held under the patronage of the Lebanese Order of Physicians on the 7th and 8th of October, at Le Royal Hotel Dbayeh.

The summit this year is entitled "Impact for a New LIFE", aiming to enhance current practices and examine future directions in the hot topics of fertility. Eminent international speakers will present innovative procedures, new studies, and practical techniques in interactive and state of the art sessions.

The international faculty of experts and professionals will animate the discussion in what promises to be a high quality scientific and evidence-based debate.

Looking forward to welcome you all soon in LIFE 2016!

Dr. Jean Mouawad  
President of the Lebanese Fertility Society
