Welcome Letter

Dear Colleagues,

Under the patronage of the president of The Lebanese University, Professor Fouad Ayoub, and on the behalf of the Organizing Committee, it is my great pleasure to welcome you in our congress to celebrate the 34th anniversary of Sahel General Hospital.

The congress will be held under the auspices of LSMO , LUS and in collaboration with the LU- faculty of Medicine

The Scientific Committee worked hard to present a challenging scientific program on the latest advances in shoulder and hip surgery, endocrinologic and nephrologic diseases as well the latest management of advanced bladder cancer.

Many distinguished speakers from France , Spain and Lebanon will take part of this Congress. We hope that your interaction with our guest speakers from different countries will stimulate a creative exchange of ideas and will be personally rewarding.

We would like to express our gratitude to the pharmaceutical companies for their generous support, to Infomed for their excellent organization of the event, and to our dedicated scientific committee members .

Yours sincerely,

Dr. Walid Alame
Medical Director
